ROAD WORKER BURIED  
UNDER MASS OF ROCK

Andy Hulmann, a quarryman in the employ of the county, was almost crushed to death yesterday afternoon in the quarry near the Nuuanu dam, and is now in the Queen's Hospital.

Hulmann was working on some debris at the foot of a rock wall with his back to it. Suddenly rocks and earth became dislodged at the top of the wall and tumbled down upon him. The largest rocks falling far outward just missed the man, but quite a number of stones and clods struck him and for a few seconds he was almost concealed from view. The other workmen set about to rescue their fellow-laborer and relieved the upper part of his body of the weight. Large stones lay on his legs and it took some time to remove them. The man groaned during the operation and inspection of his limbs showed one leg broken and many bruises.

Head Luna Clark telephoned to Road Supervisor Cummins of the accident, who left for the quarry in an auto. He left town at 3:15 and shortly after 4 o'clock was at the hospital with the injured man.

## A HUGE WIRELESS TOWER FOR HAWAII

WASHINGTON, D. C., December 5.—In Hawaii, Washington, Colon and the Philippines, the Navy Department is planning to build the greatest steel towers ever constructed for transmission of wireless messages. The first one will be erected in Washington. It will be 400 feet high, and will be capable of sending messages 3000 miles by day or night and in any kind of weather.

As soon as it has been tested and proved satisfactory a similar tower will be erected in Hawaii, one in the Philippines and one in Colon.

## LIEUT. TITUS LEAVES ARMY.

The President has accepted the resignation of Second Lieutenant Calvin P. Titus, 14th United States Infantry, of his commission as an officer of the army, to take effect July 15, 1909, and has granted him leave of absence until that date.

Lieutenant Titus was formerly a musician in Company E, 14th United States Infantry, and while so serving was the first man to scale the walls of Peking in August, 1900, during the Boxer troubles. He was awarded a medal of honor for "gallant and daring conduct" on that occasion and was afterward appointed by President McKinley a cadet at the United States Military Academy. He was graduated in July, 1905, and appointed second lieutenant in his old regiment, the 14th Infantry. He is now serving with that regiment in the Philippines. It is said at the War Department that there is no significance in his resignation beyond a desire to engage in private business.
